Lippert Components axles always take you farther.

Our state-of-the-art robotic welders ensure the highest precision and quality on every component. We offer a full line of reliable spring, torsion and heavy-duty 10-12K capacity axles to meet your unique specifications.

As of January 1, 2017, Lippert Components offers the industry leading limited axle warranty:

- Limited 1 Year Warranty – grease and oil seals for all axles
- Limited 6 Year Warranty – spring axles and suspension systems
- Limited 11 Year Warranty – torsion axles
