35 years ago a young East Texas couple embarked on a journey that at the time was merely a means to put food on the table for their growing family. Unbeknownst to them, their nature would have an endless impact on the business they would create.

**LOVE STRONG.** From 1981-1984 Kim Crabb worked for a local trailer manufacturer that ultimately went out of business leaving customers without product and workers without a job. With Kim’s heart and desire to positively impact people, she embraced Mike’s idea to start their own trailer business. Needless to say, they were all in and Diamond C was born.

**DO WORK.** Mike’s construction and auto/body background, combined with his grit, knack for quality and resolve to improve customer experience through innovation, quickly set the stage for Diamond C to become a bold brand about much more than just building trailers.

Today, Diamond C is still a family owned and operated company that continues striving to produce innovative, feature-rich trailers. Thus allowing the company to live out its purpose of promoting the well being and success of its team members, customers and communities.

#BeTheDifference       #DoWorkLoveStrong
For your everyday hauling needs, Diamond C open flatbed trailers are equally at home hauling your golf cart to the course, your lawn mower across town, or your ATV/UTV to the hunting lease. With a versatile range of features and options to choose from, our single axle utility trailers are sure to exceed your expectations for a multipurpose trailer. Need a heavy duty construction trailer, landscape trailer, or general purpose commercial grade trailer? Diamond C tandem axle utility trailers are constructed with superior strength and durability in mind.
MORE OF WHAT YOU WANT.

**ASSURANCE**

We stand behind our product. Diamond C Trailers come with a 3 year structure warranty.
Genuine Lippert Super Lube Axles
For optimal tire wear and longevity, we use only Cambered Axles.

Please contact your authorized Diamond C dealer for questions, additional options, or additional specifications. OR visit www.diamondc.com to build a trailer to fit your needs.
Our mission is to ensure that each of our trailers are exceptionally durable, beautiful, and enduring. We strive for extraordinary trailers that are built to last.
