Do Work. Love Strong.

OUR STORY.

36 years ago a young East Texas couple embarked on a journey that at the time was merely a means to put food on the table for their growing family. Unbeknownst to them, their nature would have an endless impact on the business they would create.

LOVE STRONG. From 1981-1984 Kim Crabb worked for a local trailer manufacturer that ultimately went out of business leaving customers without product and workers without a job. With Kim's heart and desire to positively impact people, she embraced Mike's idea to start their own trailer business. Needless to say, they were all in and Diamond C was born.

DO WORK. Mike's construction and auto/body background, combined with his grit, knack for quality and resolve to improve customer experience through innovation, quickly set the stage for Diamond C to become a bold brand about much more than just building trailers.

Today, Diamond C is still a family owned and operated company that continues striving to produce innovative, feature-rich trailers. Thus allowing the company to live out its purpose of promoting the well being and success of its team members, customers and communities.

The screenshot displays the Diamond C website interface for the LPD trailer. The top navigation bar includes links for Dealer Portal, Find a Dealer, Parts, and Contact Us. The main menu lists various trailer types: Single Axle Utility, Tandem Axle Utility, Automobile, Equipment, Gooseneck, Pintle Hitch, Dump, and Custom Creations. The featured image shows an orange Diamond C LPD trailer parked on a dirt lot next to a skid steer loader. A white callout box with blue text and a blue line pointing to the 'BUILD YOUR OWN TRAILER' button contains the text: "Check out www.diamondc.com With our Interactive 'Build Your Own Trailer' Feature". Below the image, the text reads "HEAVY DUTY LOW PROFILE DUMP TRAILER" and "Model: LPD". A horizontal navigation bar offers options: VIDEO, PHOTOS, WHERE TO BUY, FINANCE, DIMENSIONS PDF, and BROCHURE PDF. Below this, a secondary bar highlights GENERAL, FEATURES, LOADING OPTIONS, and TIRES & WHEELS. The "Length/Width" section shows a dropdown menu set to "12' x 82'". The "GVWR" section features four radio button options: 207 Package (14.9K GVWR) (selected), 307 Package (24K GVWR), 308 Package (18K GVWR), and 310 Package (20K GVWR).
