

## Electrical Maintenance Technician

### **Overview:**

At Diamond C, our purpose is to fuel the growth and success of our team-members, customers, and community abroad. We're committed to more – more process improvements, more sustainable manufacturing, and more opportunities for our team. As the Electric Maintenance Technician you will maintain the electrical wiring, fixtures, and system in buildings. In this role, you'll build effective relationships with our team-members across the business and have a strong focus on our foundational “Do Work, Love Strong” culture.

This position is located in Mount Pleasant, TX.

### **Duties/Responsibilities:**

- Installs and repairs electrical wiring, systems, and fixtures in buildings.
- Installs/replaces conduits and pipes to house electrical wires and cables.
- Install/replace circuit breakers and other electrical hardware and connect wiring to them.
- Connects electrical systems to provide electricity to the building.
- Tests electrical systems to ensure proper installation and operation.
- Inspects electrical systems to determine whether repairs are needed.
- Performs other related duties as assigned.

### **Required Skills/Abilities:**

- Ability to read blueprints.
- Extensive knowledge of electrical systems and wiring.
- Ability to use hand tools and power tools.
- Proficient in the use of test meters and other diagnostic equipment.
- Excellent analytical and problem-solving skills.

### **Education and Experience:**

- High school diploma or equivalent required.
- Completion of a formal apprenticeship and valid electricians license preferred.

***Physical Requirements:***

- Must be able to see color to discern color-coded wiring.
- Prolonged periods standing, kneeling, bending, and climbing ladders or scaffolding.
- Must be physically capable of pulling wires and cables through conduits.
- Must be able to lift up to 50 pounds at a time.
