

Planner

Overview:

At Diamond C, our purpose is to fuel the growth and success of our team-members, customers, and community abroad. We're committed to more – more process improvements, more sustainable manufacturing, and more opportunities for our team. As the Planner, you'll report directly to the Production Manager, Jason Mars. In this role, you will improve processes over the Fleetneck shop while building effective relationships with leaders across the business and have a strong focus on our foundational "Do Work, Love Strong" culture.

This position is located in Mount Pleasant, TX.

Responsibilities:

- Develop and implement daily and weekly production schedules and targets.
- Balance existing labor and machine capacity to maximize production throughput.
- Examine all aspects of the scheduling process, including historical data, to improve production processes.
- Communicate and report to the leadership team regarding existing orders, challenges, and production forecasting.
- Issue, communicate, & track Work Orders to Operators.

Required Skills/Abilities:

- Ability to do Work Order Printing, Processing, & Completions.
- Have a thorough understanding of Inventory Analysis.
- Ability to work with ethical conduct towards teams by effective communication.
- Excellent organizational skills and attention to detail.
- Excellent organizational skills and attention to detail.

Preferred Experience:

- Trailer and Parts knowledge is preferred, but not required.
