

IT Data Administrator and Report Writer

Overview

At Diamond C, our purpose is to fuel the growth and success of our team-members, customers, and community abroad. We're committed to more – more process improvements, more sustainable manufacturing, and more opportunities for our team. As the IT Data Administrator and Report Writer, you will elevate our on-premise, cloud and data warehousing to EXTRODINARY levels. The candidate for this role is required to have an understanding of Oracle & SQL to involve conceptualization, execution and collaboration to ensure data integrity. The IT Data Administrator and Report Writer will build effective relationships with leaders across the business and have a strong focus on our foundational “Do Work, Love Strong” culture.

This position is located in Mt. Pleasant, Tx.

Responsibilities:

- Database administration of Oracle 19c and Google Big Query data warehouse.
- ELT & Pipeline management & synchronization.
- SQL report writing in Google Data Studio, Crystal Reports and Query>HTML/CSV
- Responsible for back and frontend development.

Qualifications:

- Bachelor's degree in Computer Science, Management Information Systems, or related field preferred.
- Experience SQL, Crystal Reports and running quarries.

We encourage and welcome applicants with any and all backgrounds, experiences, abilities, and competencies. All decisions regarding hiring, promotion, discipline, and discharge are based on qualifications, merit, and the needs of the business. We are an equal opportunity employer.
