

Powder Coat Supervisor

Overview

At Diamond C, our purpose is to fuel the growth and success of our team-members, customers, and community abroad. We're committed to more – more process improvements, more sustainable manufacturing, and more opportunities for our team. As a Powder Coat Supervisor you will oversee activities, production, and operations of your team. This role will build effective relationships with leaders and team members across the business and have a strong focus on our foundational “Do Work, Love Strong” culture.

This position is located in Mt. Pleasant, Tx.

Responsibilities:

- Identifies, investigates, and resolves delays in shift operations.
- Maintains and ensures efficiency and quality of product.
- Works with Operations Manager and other leaders to identify and address inefficiencies.
- Handles discipline and termination of employees in accordance with company policy.

Qualifications:

- Understand calibration of spray equipment (e.g. paint gun).
- Basic understanding of powdercoat formulas (e.g. chemicals makeup)
- Thorough knowledge of service prep for powder and primer application
- Maintain GMPs and diligent housekeeping processes
- Manufacturing and leadership experience required

We encourage and welcome applicants with any and all backgrounds, experiences, abilities, and competencies. All decisions regarding hiring, promotion, discipline, and discharge are based on qualifications, merit, and the needs of the business. We are an equal opportunity employer.
